AUGUST 2016

Hi! My name is Abigail Stuckey, but most people call me Abby. A little bit about myself, I was born and raised in Dalton, Ga where I am a member of Dalton FUMC. I graduated from Christian Heritage School in 2012 and then attended LaGrange College where I graduated in 2016 with a BA in History and a minor in Servant Leadership. While at LaGrange, I played softball and was president of Fellowship of Christian Athletes.

I served as an intern in Youth Ministries the past two summers at Dalton FUMC and Cannon UMC where I heard my call to be a Youth Minister and have been eagerly and prayerfully pursuing that call. In my free time, I enjoy camping, going to Braves games, drinking coffee, cooking, and spending time with my family! I am so excited to be at Jasper and am looking forward to getting to know the church family and spending time with the youth.

Music in Ministry

"Let everything that has breath, Praise the Lord." Psalm 150

I pray that you have had time to pull away from the busyness of the school year and rest and enjoy your family and friends but most of all to glimpse the Glory and Majesty of our great God in a new and fresh way.

May He continue to guide and bless us as we travel this journey of life together.

SCHEDULE FOR AUGUST:

COCA ('COME ONE, COME ALL' CHOIR): All congregation members and friends are invited to come to the choir room each Sunday in August at 10:33 am and join us as we sing a simple but fun Gospel Song with a very short warm-up. NO ROBES- Casual Summer Attire (just not flip flops)

REGULAR REHEARSALS BEGIN ON WEDNESDAY AND SUNDAY AFTER LABOR DAY

Many thanks to all of those who gave so freely of their talents this summer to provide special moments in our worship services thru sight and sound. If you are not involved in our Music/Worship Arts, please consider finding your place and get involved ASAP because we all need to glorify our Lord thru our gifts and talents. Soli Deo Gloria, Roxanne

Our demo organ was provided by Allen Organ Studios. The Three Manual 38 Stop Allen Organ was here to give us a taste of what a great organ can do for the worship experience. The organ committee has selected a Three manual 58 Stop Custom Allen Organ and we are working to raise the necessary funds. Today, Allen Organ is the world's largest builder of church organs and the world's largest builder of pipe organ consoles. Our new digital pipe organ will include sampled sounds from some of the best pipe organs from around the world. The organ also includes Genisys for long term sustainability as musical trends change and as technology advances. Our hope is that this instrument has whet your appetite for things to come. Contributions can be made to JUMC and marked Organ Fund.

Committee members: Lea Gallagher, Tom Lindsey, Jake & Jane Waller, Angela Ervin and Roxanne Golden

All Youth and Children's Musical books and CDs need to be returned to the choir room by August 31st.
